Cape Fear Sail & Power Squadron

NE Cape Fear River Cruise

You are invited to join us for a delightful fall river cruise up the NE Cape Fear River. Captain O. B. Battle and Lt Otis White will lead you through the passage from the Castle Hayne Boat Ramp to Lane's Ferry BBQ about 1.5 hours north of the boat landing. Those who do not trailer their boats can meet at the River Bluffs Neighborhood Marina earlier and go from there. The Castle Hayne Boat Ramp is on Castle Hayne Road just before you cross the NE Cape Fear River about $\frac{1}{4}$ mile past Castle Hayne. The River Bluffs Marina is just above the I-140 Bridge on the river about 20 minutes north from the Hilton RR Bridge. Otis White will lead from River Bluffs at 10 AM so we can meet the other folks at 11 in Castle Hayne.

Lanes BBQ will take individual orders when we get there. Please bring folding chairs and small tables as we will be eating under the beautiful trees on their property or on your boats of course if you choose. Boaters are responsible for their own tabs at the grill.

Participation is limited to 25 to 30 folks as the Lanes Ferry Grill is small.

Hope to see you there! Questions? Contact otis.white@asu.edu 480-363-0776
